

**Declaring the End from the Beginning** subtitled "**They Spoke, I Answered**" explores Earth's ancient history, celestial beings, the three heavens, the adversary, and the destiny of believers after death. It also delves into phenomena such as UFOs, UAPs, USOs, and the fallen ones, among other intriguing topics. "This book recounts my brief encounter with beings commonly known as aliens, with the goal of revealing their true nature." When the alien communicated, I responded, free from fear! What many see as supernatural today is not a new phenomenon, but something ancient now emerging more clearly than ever and revealing itself more openly." Deception is widespread; it is essential to heed the call: "**Beloved, do not believe every spirit, but test the spirits to see whether they are from God.**" 1 John 4:1
